

**Empire Clinical Research Investigator Program (ECRIP)**

**FINAL REPORT**

<b>Program Information</b>
Project Number (assigned by DOH):
Hospital:
Hospital Operating Certificate Number:
Principal Contact: Address:  Phone Number:  Fax Number:  E-mail:
Project Title:  Sponsor/Mentor:  Address:  Phone Number:  Fax Number:  E-mail:
Name of ECRIP Researcher:  Start Date:  Number of Hours per Week in Research Position:

**Please respond to the questions below in no more than 3 pages, double-spaced at 12 point font size. Responses must pertain only to the ECRIP funded project.**

- 1.) Did the researcher change from the originally hired researcher through funding period? If so, please list names of researchers.
- 2.) Did the Sponsor/Mentor change through funding period? If so, please list names of Sponsor/Mentors.
- 3.) Describe researcher's involvement in activities designed to increase research skills, including:
  - formal course work
  - informal instruction in specific research skills
  - scientific seminars and meetings
  - training in the responsible conduct of research
  - visits to other laboratories
- 4.) Describe researcher's involvement in activities other than research and research training. Indicate the percent of time spent in each activity and the relationship to the researcher's career development in clinical research. Activities such as:
  - teaching
  - clinical care
  - professional consultation
  - service to advisory groups
  - administrative activities
- 5.) List any notable project setbacks.
- 6.) Describe the researcher's accomplishments in meeting goals and objectives.
  - include training content not included in original project abstract.
  - include omitted training content
- 7.) Were the expected measurable outcomes obtained? What were they?
- 8.) What were the changes in researcher tasks, if any?
- 9.) What journals has the research report been submitted to?
- 10.) What scientific meetings has the project been presented at?
- 11.) Sponsor/Mentor must prepare a concise statement of the researcher's progress and performance in terms of development into an independent investigator.
